## Out & About

**Maryland** is a few minutes walk from the bus and railway stations, so getting around without the car couldn't be easier. Enjoy a pleasant day trip by train to the market town of Driffield, the 'jewel in the Wolds', or stroll the waterfront along the picturesque Filey Bay.

If you fancy a flutter or just an opportunity to wear a nice hat, nearby Beverley has its own racecourse.

Just 45 minutes by car is the historic walled city of York. For something a little different visit the RSPB's Bempton Cliffs Reserve.

On foot, the walk along the cliff path to Flamborough Head and Danes Dyke is very exciting. Around the headland, you can see the traditional fishing cobbles at North Landing. Finish off your ramble with a picnic in 50 acres of 19th Century parkland at Sewerby Hall.
